

**CODE OF CONDUCT
PLYMOUTH COUNTY CONSERVATION
PROGRAM DISCIPLINE AND DISMISSAL POLICY**

Plymouth County is interested in the welfare of all adults and children. Participants in Plymouth County Conservation programs are expected to follow the rules of the program and obey the direction of staff, whether paid or volunteer, and other adults in supervisory positions. A participant's failure and inability to follow rules and obey directions may cause a serious discipline problem. A serious discipline problem may also occur when a child hampers the smooth flow of the program by requiring constant one-on-one attention, inflicts physical or emotional harm on other children, abuses staff and adults, or is otherwise unable to conform to the rules and guidelines of the program. Kicking, biting, abusive behavior towards others, name-calling, unwanted displays of affection, and inappropriate language are examples of such unacceptable behavior. An adult causing problems or disruptions will be reminded of the rules, then asked to leave if the problem continues.

All summer program registrants are expected to follow the rules of the program and obey the direction of the summer program leaders and other adults in supervisory positions. When a child's behavior creates a discipline problem as described in the above Discipline and Dismissal Policy, the following procedures shall be followed:

1. The child shall be separated from the problem activity or situation. Staff shall help the child rejoin the group when they are ready.
2. Staff shall listen to the child and discuss the consequences of further misbehavior.
3. Repeated misbehavior shall be handled through conversations with a parent.
4. The parent, child, and staff shall agree to a plan that improves behavior.
5. If improvement does not occur or a solution cannot be determined, staff may recommend that the child be dismissed from the program.

NOTE: Acceptance into a program is conditioned on the above policy and the right to dismiss a participant from the program as outlined above. Your cooperation in making your child's summer camp experience the best possible, is needed. Please inform the leader of the existence of or changes in any physical, mental, emotional, or behavioral conditions and maintenance medications that may affect the youth. Please note all such conditions (example: allergies, cerebral palsy, visual impairment, attention deficit syndrome, etc.) and medications on the registration and health/emergency forms. **THANK YOU!**

Emergency Release

In the event of an emergency, I give permission for the Plymouth County Conservation staff or volunteers to administer first aid and/or obtain emergency medical treatment for me/my child. I understand that every effort will be made to contact me and/or my emergency listing. I understand that if necessary, I/ this child will be transported by ambulance to the nearest hospital. I agree that any cost incurred for any transportation and/or treatment will be my responsibility.
